Didn't expect that from a girl so young. Gone before they knew it." "Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain. Ged could force the dragon Yevaud to obey him, having by both wizardry and scholarship discovered Yevaud's true name under centuries of false ones..anywhere he could not see it. Water chuckled softly somewhere near his feet. He had used up his.And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage..The great scholar-mage Ath compiled a lore-book that brought together much scattered knowledge..He stood tongue-tied. After a while she looked up at him. "No," she said in a soft, quiet voice, "I don't think it's true. I think all the true powers, all the old powers, at root are one." "She put her hand on his knee. It was the first time she had ever touched him. He endured it, the warmth and weight of her touch that he had wasted so much time wanting..a girl, and a year younger than Diamond, and a witch's daughter. He wished his son would play with." And many there said good riddance, for he'd always been half mad, and now was mad entirely..anxious, the hunted look coming back into him, and he got up from the settle..not know his craft, all he could see clearly in Gelluk's thoughts were pages of a lore-book full.But the other learning he had been given had made Otter touchy in these matters, delicate of.was nearly inaudible, a rough whisper..He was only a little sorcerer, a cheating healer with a few sorry spells. Or so he seemed. What if he was cheating, hiding his power, a rival hiding his power? A jealous rival. He must be stopped, he must be bound, named, called. Irioth began to say the words that would bind him, and the shaken man cowered away, shrinking down, shriveling, crying out in a thin, high wail. It is wrong, wrong, I am doing the wrong, I am the ill, Irioth thought. He stopped the spell words in his mouth, fighting against them, and at last crying out one other word. Then the man Ayeth crouched there, vomiting and shuddering, and San was staring and trying to say, "Avert! Avert!" And no harm was done. But the fire burned in Irioth's hands, burned his eyes when he tried to hide his eyes in his hands, burned his tongue away when he tried to speak..Otter crouched there at the foot of the hillslope, alone..anything lost, a dropped nail, a mislaid tool, as soon as he understood the word for it. And as a.clothes on, foul as they were from days and days of travel. There was a pair of shoes under the.cobbled, he heard voices..her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea." "To the root," he said impatiently, in the language of the Making. "To the root!" .guess Otak did. But he did no harm to the man at all, but fell down in a swoon himself. And now he." "So, to be blunt about it, if you have this gift, Diamond, it's of no use, directly, to our business. It has to be cultivated on its own terms, and kept under control -- learned and mastered. Only then, he said, can your teachers begin to tell you what to do with it, what good it will do you. Or others," he added conscientiously..He tried to remember how to make light. Anieb said to him, plaintively, "Can't you make the.then at her again.."
