Like a spring-loaded novelty snake erupting from a can, Junior exploded up from the chair, nearly knocking it over..Holding fast to the boy's right foot, Jacob observed that one elevator might descend safely but that if they took two, one or the other was certain to crash to the bottom of the shaft, considering the unreliability of all machinery made by man..Jacob scared people. He was 'Edom's identical twin, with Edom's boyish and pleasant face, as soft-spoken as Edom, well barbered and neatly groomed. Nevertheless, on the same mission of mercy as Edom, Jacob would leave the pie recipients in a state of deep uneasiness if not outright terror. In his wake, they would bar the doors, load guns if they owned any, and lay sleepless for a night or two..Her mouth was as greedy as it was ripe, and her pliant body radiated volcanic heat, and as Junior slipped his hands under her skirt, his mind teemed with thoughts of sex and wealth and power, until he discovered that the heiress was an heir, with genitalia better suited to boxer shorts than to silk lingerie..He'll just think I'm an incompetent detective. If he comes around wanting his five hundred bucks back, I'll give it to him..Confused, Panglo held out his right hand, but Jacob said, "Sorry, no offense, but I don't shake with anyone..Unable to hold his breath or to quiet his miserable sobbing, Junior couldn't hear clearly enough to discern whether the sounds of the stalking sculpture were real or imagined. He knew that they had to be imaginary, but he felt they were real..The second medic wheeled the gurney to the rear of the van, calling for one of the policemen to accompany him to the hospital. Apparently, he needed help if he was to deliver the baby and also stabilize Apes while en route..of drool. Her eyes rolled, wild with fear, and seemed not to be focused on anything..Reluctantly, Jacob finally returned the cards to the packs and admitted to himself that superstition had seized him and would not let go. Somewhere in the world was a knave, a human monster-even worse, according to Maria, a man as fearsome as the devil himself-and for reasons unknown, this beast wanted to harm little Barty, an innocent baby. By some grace that Jacob could not understand, they had been warned, through the cards, that the knave was coming. They had been warned..Junior liked women who drank a lot. They were usually amorous or at least unresistant..Between new women and needlepoint pillows, he participated in s?ances, attended lectures given by ghost hunters, visited haunted houses, and read more strange books. He even sat for the camera of a famous medium whose photographs sometimes revealed the auras of benign or malevolent presences hovering in the vicinity of her subject, though in his case she could discern no telltale sign of a spirit..Entering the bedroom, Junior had expected to cast aside his pistol and draw a knife. But he was no longer in a mood for close-up work. Fortunately, he'd managed to hold on to the gun..If the angular mass was Neddy, the vaguely warm, damp something must be the strangled man's protruding tongue..To be fair, with her exceptional beauty, she would have been the center of attention even in a gathering of real artists. Junior had little chance of getting at Seraphim's bastard boy without going through this woman and killing her as well; but if his luck held and he could eliminate Bartholomew without Celestina realizing who had done the deed, then he might yet have a chance to discover if she was as lubricious as her sister and if she was his heart mate..Almost as an afterthought, as he was leaving, he tucked the brochure for "This Momentous Day" into a jacket pocket. There would be amusement value in hearing a group of cutting-edge young artists analyze Celestina's greeting-card images. Besides, as the Academy of Art College was the premier school of its type on the West Coast, a few of the partygoers might actually know her and be able to give him some valuable background. The party raged in a cavernous loft on the third-and top-floor of a converted industrial building, the communal residence and studio of a group of artists who believed that art, sex, and politics were the three hammers of violent revolution, or something like that..Tom didn't attribute supernatural powers to this killer. Enoch Cain was mortal, not all-seeing and all-knowing. Evil and stupidity often go together, however, and arrogance is the offspring of their marriage, as Tom had earlier told Celestina. An arrogant man, not half as smart as he thinks, with no sense of right and wrong, with no capacity for remorse, can sometimes be so breathtakingly reckless that, ironically, his recklessness becomes his greatest strength. Because he is capable of anything, of taking risks that mere madmen wouldn't consider, his adversaries can never predict his actions, and surprise serves him well. If he also possesses animal cunning, a kind of deep intuitional shrewdness, he can react quickly to the negative consequences of his recklessness and can indeed appear to be more than human..that he could not entirely analyze. Any amateur magician-indeed, anyone willing to practice enough hours, magician or not-could master this trick. It was mere skill, not sorcery. "What was your motive, Enoch?".Having been so wounded by one death, Celestina could not imagine how Lipscomb could have survived the loss of his entire family. Pity knotted her heart and cinched her throat so that she spoke in little more than a whisper: "Was that the American Airlines. . .".When he returned to the kitchen to add ice and sherry to his glass,he looked up White, Celestina in the San Francisco phone directory. Her number was listed; her address was not..As though one of the quarters had dropped into his ear and triggered a golden oldie in the jukebox of his mind, Junior heard Vanadium's voice in the hospital room, in Spruce Hills, on the night of the day when Naomi died: "en you cut Naomi's string, you put an end to the effects that her music would have on the lives of others and on the shape of the future....This sight that might inspire celebration among sailors was denied to Barty, who rode in the backseat with Agnes. Neither could he see how the crimson sky studied its painted face in the mirror of the ocean, nor how a burning blush shimmered on the waves, nor how the veil of night slowly returned modesty to the heavens..Junior was disturbed that the mysterious chanteuse had been performing when he wasn't home. He felt violated. Invaded..Under a sullen afternoon sky, in the winter-drab hills, the yellow-and-white station wagon was a bright arrow, drawn and fired not from a hunter's quiver but from that of a Samaritan..Agnes winced. Already, another contraction. Mild but so soon after the last. She clasped her hands around her immense belly and took slow, deep breaths until the pain passed..Sparky wasn't a

bad guy, not easily bought, and if he'd been asked to sell out any tenant other than Cain, he probably wouldn't have done so at any price. He greatly disliked Cain, however, and considered him to be "as strange and creepy as a syphilitic monkey." Junior tossed garments on the floor and across the bed to create the impression that the detective had packed with haste. After being imprudent enough to blast Victoria Bressler five times with his service revolver-perhaps in a jealous rage, or perhaps because he had gone nuts-Vanadium would have been frantic to flee justice..Eventually he approached the door between the dining room and the kitchen. He paused there, listening..That was the first-and until now the last-long walk he made with a purpose in mind. He went to see a hero..For a moment, Junior was mystified. Vanadium's movements had the quality of ritual, vaguely reminiscent of a priest raising high the Eucharist..Junior no longer leaned casually on the casing. He put both hands flat against the door..Jacob's mentor had been a man named Obadiah Sepharad. They had met when Jacob was eighteen, during a period when he'd been committed to a psychiatric ward for a short time, his eccentricity having been briefly mistaken for something worse..A smoldering cigarette, usually dangling aslant from one corner of a hard mouth set in a cynical sneer, was standard issue for tough-guy gumshoes, but Nolly didn't smoke. His failure to develop this bad habit resulted in a less satisfyingly murky atmosphere than the clients of a private dick might expect..The right side of the girl's face appeared to be more strongly affected by gravity."Would you pretend to wake up if I tried to smother you?" asked Detective Vanadium.. "And to the north of us," Agnes said, drawing him out, "Janey Carter went off to college last year, and she's their only child." "There's lots of places where I don't have bad eyes at all. And then lots of places where I have it worse or don't have it as bad, but still have it some." "I think we could wind up as crazy as he is, if we tried long enough to puzzle out his twisted logic."..Instead, as he settled into the offered chair, he withdrew a picture of Perri from his wallet. It was an old black-and-white school photograph, slightly yellow with age, taken in 1933, the year he'd begun to fall in love with her, when they were both thirteen..Two cranks operated the winch.. The mortician and his assistant turned the handles in unison, and as the mechanism creaked softly, the casket slowly descended into the hole..More than twice, worried nurses-and even a resident internist braved the tumult to check on Junior's condition. They asked if he really felt up to entertaining visitors, these visitors..Celestina, standing next to Agnes, put an arm around her waist, as perhaps she had once been in the habit of doing with her sister.."In the early hours of January seventh," Nolly continued, "Miss White died in childbirth, as you figured."..After a while, he dared to crack his eyelids. Pressing against his eyes was a blackness as smooth and as unrelenting as any known by a blind man. Not even a ghost of light haunted the night beyond the window, and the slats of the venetian blind were as hidden from view as the meatless ribs under Death's voluminous black robe..Olive complexion, no less smooth than the skin of a calamata. Eyes as lustrous as pools shimmering with a reflection of eternity and stars..He had been walking ever since, two and a half years, with brief respites in Bright Beach..Trembling, she sat beside the bassinet and gazed at her baby with such love that the force of it ought to have rocked him awake.."You know," Tom said when the second round of drinks arrived, "hard as it is to believe, some places never heard of martinis." "Who?" she shouted, though they were perched side by side on a black-leather love seat..Edom bit his lower lip, shook his head, and stubbornly clung to Barty's left foot..Only one member of the distant funeral party did not disperse toward the line of cars on the service road. A man in a dark suit headed downhill, between the headstones and the monuments, directly toward Naomi's grave.."Maybe it's not where the heart is," Wally corrected himself. "Maybe it's where the buffalo roam."..He couldn't work up sufficient saliva to get the rasp out of his voice: "Then you could learn to do it."..Here, four days past Christmas, after two days of torment, Agnes knew the worst, that her treasured son must go eyeless or die, must choose between blindness or cancer of the brain..Her hands trembled as she attempted to fold her sister's clothes into the small suitcase. What should have been a simple task became a daunting challenge; the fabric seemed to come alive in her hands and slip through her fingers, resisting every attempt to organize it. When eventually she realized there was no reason to be neat, she tossed the garments into the bag without concern for wrinkling them..In the car again, a block from home, Barty said, "Maybe you could just not tell Uncle Edom and Uncle Jacob until Sunday night. They won't handle it real well. You know?"..In southern California, Agnes Lampion dreams of her newborn son. In Oregon, Junior Cain fearfully speaks a name in his sleep, and Detective Vanadium, waiting to tell the suspect about his dead wife's diary, leans forward in his chair to listen, while ceaselessly- turning a quarter across the thick knuckles of his right hand..Tom Vanadium's uninflected but curiously hypnotic voice, his pensive manner, his gray eyes so beautiful in that fractured face, his air of measured melancholy, and his evident intelligence gave him a presence that was simultaneously as solid as a great mass of granite and yet otherworldly..An exceptionally attractive woman, alone at the bar, stirred his desire. Glossy black hair: the tresses of night itself, shorn from the sky..Wonderful. Oh, perfect. So Neddy, a friend of Celestina's, knew that Junior, reputed to be a vicious sadist, had attended this reception under a false name. If Junior really was a sleazy pervert of such rococo tastes that he would be shunned even by the scum of the world, even by the deranged mutant offspring of a self-breeding hermaphrodite, then surely he was capable of murder, too.."So what I am is I'm your talking eyes." Lowering her hand from his face, Angel said, "Do you know where bacon comes from?"..Bill wasn't impressed. "They build houses out of mud in China. No wonder everything falls down."..Recuperating, he had plenty of time to practice meditation. He became so proficient at focusing on the imaginary bowling pin that he could make himself oblivious of all else. A stridently ringing phone wouldn't penetrate his trance. Even Bob Chicane, Junior's instructor, who knew all the tricks, could not make his voice heard when Junior was at one with the pin..Naomi's beautiful countenance rose in his mind, and she looked beautiful for a moment, but then he thought he saw a certain slyness in her angelic smile, a disturbing glint of calculation in her once loving eyes..If either of them suspected that she was lying, it was Edom. He looked puzzled, but he didn't pursue the issue..The infant's smile was so captivating and his puzzlement so comically earnest that both expressions worked on Agnes's misery as surely as yeast leavens dough. Her bitter tears turned sweet..Throughout the evening, Barty and Angel-sitting side by side and across the table from Paul-listened to the adults at times and occasionally joined in the larger conversation, but primarily they talked between themselves. When the kids' heads weren't together conspiratorially, Paul could hear their chatter, and depending on what else was being discussed around the table, he sometimes tuned in to it. He picked up on the word rhinoceros, tuned in, tuned out, but a couple minutes later, he dialed back in when he realized that Celestina, sitting two places farther along the table from him, had risen from her chair and was staring in amazement at the kids..So smoothly did the waiter move, that three martinis on a corklined mahogany tray seemed to float across the room in front of him and then hover beside their table while he served the cocktails to the lady first, the guest second, and the host third.."Seems like," Vanadium agreed. "So a man like Cain obsesses on one thing after another-sex, money, food, power, drugs, alcohol, anything that seems to give meaning to his days, but that requires no real self-discovery or

self-sacrifice. Briefly, he feels complete. However, there's no substance to what he's filled himself with, so it soon evaporates, and then he's empty again." In a rocking chair, holding her tiny son in her arms, Agnes cried quietly. Often, Barty slept through her weeping. Awakened, he smiled or squinched his face into a puzzled frown. "I mean it. You have a lot of responsibilities here. Barty. Pie Lady Services. People who depend on you. Friends who love you. When you came on board with me, mister, you bought into a whole lot more than you can walk away from." He was relieved that he hadn't moved his head or made a sound. He wanted to understand as much of the situation as possible before revealing that he was awake. This thought startled Agnes, disturbed her yet, inexplicably, it also poured a measure of warm comfort into her chilled heart. Then came the Year of the Tiger, 1974. Gasoline shortages, panic buying, mile-long lines at service stations. Patty Hearst kidnapped. Nixon gone in disgrace. Hank Aaron toppled Babe Ruth's longstanding home-run record, and the inflation rate topped fifteen percent, and the legendary Muhammad Ali defeated George Foreman to regain his world-heavyweight title. She protested that her ruined body had neither any comforts to offer a man nor the strength to be a bride. Now here was a thing, worse than the thought of a quarter in the closed hand: Neddy's eyes seemed to follow Junior as he rooted among the trash bags. NOT IN A MOOD to garden, but wearing the proper gloves, Junior clicked on the foyer light, the hall light, the kitchen light, and stepped around the clubbed-smothered-shot nurse, to the range, where he switched on the right oven, in which an unfinished pot roast was cooling, and the left oven, in which the dinner plates waited to be warmed. He cranked up a flame again under the pot of water that had been boiling earlier and glanced hungrily at the uncooked pasta that Victoria had weighed and set aside. Reading about child prodigies, Agnes learned that most if not all math whizzes also possessed musical talent. To a lesser but still impressive extent, many young geniuses in the music world were also proficient at math. When Max answered, Vanadium let out his breath in a whoosh of relief and began talking on the inhalation: "It's me, Tom, and maybe I've just got a bad case of the heebie-jeebies, but there's something I think you better do, and you better do it right now." "If you ranted at him about earthquakes, tornadoes, erupting volcanoes, and all that stuff, how could he mistake you for me?" Of firm but pliable rubber, custom-formed to his disfigured foot, a shoe insert filled the void left by his missing toe. This simple aid ensured that virtually all footwear was comfortable, and by November, Junior walked with no discernible limp. During the first months, the journeys were eight or ten miles: along the shoreline north and south of Bright Beach, and inland to the desert beyond the hills. He left home and returned the same day. Smiling in the fearless dark, she listened to the rhythmic breathing of a sleeping boy. "Done," Agnes said. "Now put away the three dollars, and let's have our lesson before my water breaks." On this morning in March, minutes after the pie caravan had departed, Edom got his Ford Country Squire out of the garage and drove to the nursery, which opened early. Spring was drawing near, and much work needed to be done to make the most of the rosarium that Joey Lampion had encouraged him to restore. He happily contemplated hours of browsing through plant stock, tools, and gardening supplies. He let go of the girl's chin, and at once she scrunched into the corner of the window seat, as far away from him as she could get. The knowing look in her eye wasn't that of an ordinary child, not that of a child at all. Not his imagination, either. Terror, yes, but also defiance, and this knowing expression, as though she could see right through him, knew things about him that she had no way of knowing. He had sat here with a pencil, making shopping lists. Now, instead of a pencil, there was the Italian-made .22 pistol. Whether the cop was unhinged or not, Junior had nothing to gain by talking to him, especially in this disorienting darkness. He was exhausted, achy, with a sore throat, and he couldn't trust himself to be as The Finder. At the grave, they arrived with red and white roses. Agnes carried the red, and Barty brought the white. "When I couldn't get enough nightclub and theater bookings for my magic act anymore ... I turned to gambling." The shriek of the sirens groaned into silence. The police must have pulled to the curb in the street. As Junior was about to knock again, the door flew inward, and over Sinatra having fun with "When My Sugar Walks Down the Street," Victoria said, "You're early, I didn't hear your car--" She was speaking as she pulled the door open, and she cut herself off in midsentence when she stepped up to the threshold and saw who stood before her. Celestina gave birth to Seraphim in '69, saw her painting on the cover of American Artist in '70, and gave birth to Harrison in '72. The night that followed might as well have been a night in Hell, though a hell in which Satan provided an electrolytically balanced beverage. People were at the car windows, struggling to open the buckled doors, but Agnes refused to acknowledge them.
