when they praised him. "I could hold years of peace that followed the marriage this man developed immense power of magery. After five tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a the blind blackness. When he moved, he whimpered; but he sat up. I have to live, he thought. I ships; and such storms, freakish and wild, might blow on far past the place they had been sent, for though the raiders had run through it seeking slaves and plunder and setting fires, the fires. Hemlock dismissed that with a flick of his hand. "I am talking of the True Art," he said. "Now I will be frank with you. I advise you to write your parents -- I shall write them too -- informing them of your decision to go to the School on Roke, if that is what you decide; or to the Great Port, if the Mage Restive will take you on, as I think he will, with my recommendation. But I advise against visiting home. The entanglement of family, friends, and so on is precisely what you need to be free of. Now, and henceforth." it. One had a daughter who married a merchant and tried to run her estate from the city, the other had a son whose sons quarrelled again, redividing the divided land. By the time the girl called Dragonfly was born, the domain of Iria, though still one of the loveliest regions of hill and field and meadow in all Earthsea, was a battleground of feuds and litigations. Farmlands went to weeds, farmsteads went unroofed, milking sheds stood unused, and shepherds followed their flocks over the mountain to better pastures. The old house that had been the centre of the domain was half in ruins on its hill among the oaks.
