Elfarran knew this, as she knew the moment of Morred's death. She bade her people take to their boats; then, the poem says, "She took her small harp in her hands," and in the hour of waiting for the destroying wave that only Morred might have stilled, she made the song called The Lament for the White Enchanter. The island was drowned beneath the sea, and Elfarran with it. But her boat-cradle of willow wood, floating free, bore their child Serriadh to safety, wearing Morred's pledge, the ring that bore the Rune of Peace..Still it rankled him that Diamond had let him down flat, without a word of thanks or apology. He says that when King Lebannen was to be crowned, last autumn, he sent to Gont for the old Archmage to come crown him, and he wouldn't come. And there was no new Archmage. So he took the crown himself. And some say that's wrong, and he doesn't rightly hold the throne. But others say the king himself is the new Archmage. But he isn't a wizard, only a king. So others say the dark years will come again, when there was no rule of justice, and wizardry was used for evil ends..Golden did not like the child. "A little, ".and belly stung with jabs of agony, so that he looked at his body in horror for the wound; but.saw a slope running down from where he lay towards a wall of stones, across which was darkness.BUT OF COURSE he went down to Havnor South Port, in one of his father's carts driven by one of his father's carters, along with Master Hemlock. As a rule, people do what wizards advise them to do. And it is no small honor to be invited by a wizard to be his student or apprentice. Hemlock, who had won his staff on Roke, was used to having boys come to him begging to be tested and, if they had the gift for it, taught. He was a little curious about this boy whose cheerful good manners hid some reluctance or self-doubt. It was the father's idea, not the boy's, that he was gifted. That was unusual, though perhaps not so unusual among the wealthy as among common folk. At any rate he came with a very good prenticing fee paid beforehand in gold and ivory. If he had the makings of a wizard Hemlock would train him, and if he had, as Hemlock suspected, a mere childish flair, then he'd be sent home with what remained of his fee. Hemlock was an honest, upright, humorless, scholarly wizard with little interest in feelings or ideas. His gift was for names. "The art begins and ends in naming," he said, which indeed is true, although there may be a good deal between the beginning and the end..sentience. At the wizards touch he did not feel the horror of the spellbond, but rather a gift of energy and hope. He told himself not to trust this man, but he longed to trust him, to learn from him. Gelluk was powerful, masterful, strange, yet he had set him free. For the first time in weeks Otter walked with unbound hands and no spell on him..outlandish to him, it was just our past existence that was unusual. Dr. Abs, on the other hand, and.The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth Master, never counted among the Nine. A vital ethical and intellectual force, the archmage also exerted considerable political power. On the whole this power was used benevolently. Maintaining Roke as a strong centralising, normalising, pacific element in Archipelagan society, the archmages sent out sorcerers and wizards trained to understand the ethical practice of magic and to protect communities from drought, plague, invaders, dragons, and the unscrupulous use of their art..over that..Once, when they had gone a long way and the trees, dark evergreens she did not know, stood very high about them, she heard a call - a horn blowing, a cry? - remote, on the very edge of hearing.
